# Starting a Business in San Mateo County

Dear Prospective Business Owner,

If you are starting a business in San Mateo County, I wish you every success in your endeavor.

Part of starting a business is to make it official by advising the appropriate government agencies that you intend to go into business. The agencies that you need to contact will vary based upon the kind of business that you plan to open. Some agencies will license your business, some will collect taxes, and others may inspect and regulate your business for the safety and welfare of the public. It is up to you to contact these agencies, fill out their forms and, in some instances, pay a fee to open the doors of your business.

I wish I could direct you to one office where you could get all of this information. The truth of the matter is—no single place handles all applications, requirements, permits and licenses!

That's why we've put together this resource guide, "Starting a Business in San Mateo County." It lists the basic steps to starting a business and provides agency contact information to help you determine what steps to take and what your business obligations will be.

Best of luck!

Mark Church  
Chief Elections Officer &  
Assessor-County Clerk-Recorder

## SIX STEPS TO START A BUSINESS

### STEP ONE - START WITH A BUSINESS PLAN

The U.S. Small Business Administration has a tutorial on how to create a business plan for all aspects of your business such as market analysis, financing, sales, marketing, advertising, and choosing a location. Visit [www.sba.gov/smallbusinessplanner](http://www.sba.gov/smallbusinessplanner) for more information.

### STEP TWO - FILE FOR A FICTITIOUS BUSINESS NAME

Filing a Fictitious Business Name (FBN) Statement creates an accurate, easy-to-find record of who is responsible for the conduct of the business. You may obtain forms and assistance from the County Clerk's Office (555 County Center, 1st floor, Redwood City). Forms are also available online at [www.smcacre.org/fictitious-business-names](http://www.smcacre.org/fictitious-business-names). The Clerk's staff has information about requirements and can assist applicants with these steps.

### STEP THREE - CHOOSE A BUSINESS STRUCTURE

Select a business entity type. See [www.sos.ca.gov/business](http://www.sos.ca.gov/business) for a brief overview of the principal types of legal business structures available in California. Consult with an attorney and an accountant before determining your type of business entity.

### STEP FOUR - OBTAIN A BUSINESS LICENSE FROM THE CITY WHERE YOU WILL BE DOING BUSINESS

Usually you can purchase a business license from the City Clerk's Office in City Hall. If your business is located in unincorporated San Mateo County, you can call the Tax Collector's Office at (650) 599-5989 for more information about obtaining a county business license.

### STEP FIVE - OBTAIN TAX AND EMPLOYER IDENTIFICATION NUMBERS

The IRS, the State Board of Equalization, the Franchise Tax Board and the Employment Development Department agencies collect state and federal payroll taxes, state sales taxes and Corporate income taxes. Filing requirements are different for each agency. For more information, go to [www.sos.ca.gov/business](http://www.sos.ca.gov/business).

**STEP SIX - CHECK YOUR RESOURCES TO DETERMINE WHAT REQUIREMENTS YOUR BUSINESS MAY NEED TO OPERATE**  
Included in this brochure is a partial list of recommended sources to help you get started.
