Primary Argument Signers Form

Each signer must designate in which capacity they are signing. Check the one box that applies.

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Argument in Favor of Measure K

Vote YES on K to provide locally-controlled funding that can't be taken away by the State, and to protect our Belmont and Redwood Shores elementary and middle schools from cuts to core academic programs.

Thanks to our supportive communities, award-winning academics and high-quality teachers, Belmont-Redwood Shores School District provides an excellent education to local students.

However, while student enrollment has increased by 66% over nine years, local revenue has not kept up. In fact, the State has cut \$5 million from our schools the last three years.

As the lowest state-funded school district in San Mateo County, we need a dedicated source of local funding to protect our students and help close this growing funding gap.

Measure K provides the funding our Belmont and Redwood Shores schools need to maintain a well-rounded curriculum with strong core academics, music and art programs.

By law, all Measure K funds must stay in local classrooms to support student success and retain our high-quality teachers - not a single penny can be taken by the State.

Vote YES on Measure K

- Protect core academic programs in math, science and technology
- Maintain a well-rounded curriculum, including art and music programs
- Attract and retain qualified teachers
- Protect reading and writing instruction
- Keep school libraries open

Fiscal Accountability Is Built into Measure K

- All funds stay in local schools and cannot be taken away by the State
- No money can be spent on administrators' salaries
- Independent citizens' oversight will ensure funds are spent as promised
- Measure K expires in five years and can't be renewed without voter approval
- Senior citizen homeowners can receive an exemption

Our excellent schools make Belmont and Redwood Shores desirable places to live, protecting property values for us all.

Please join parents, teachers, seniors and local leaders and vote YES on K!
