Ballot Argument in Favor of Measure "S" – Ravenswood City School District (031618)

At Ravenswood City School District, we face many challenges – but we continue to overcome them! 12
With our community's help, we are committed to the goal of providing every one of our students the 18
education they deserve, in a classroom and on a campus they can be proud of. 15

However, all our schools were built over 50 years ago and have deteriorating classrooms and facilities. 16
We began the process of making them what they should be by developing our Facilities Master Plan 17
more than three years ago, and then took a significant step forward with your overwhelming support for 17
Measure "H" in 2016. 3

But much more remains to be done. And the repairs continue to be urgent, and our students cannot 18
wait. We must act now – vote YES on Measure "S"! 9

Beyond repairs, our children must also be ready for the jobs of tomorrow. Measure "S" will provide 16
classrooms, and science and computer labs that expand opportunities in science, engineering, and math. 14
It will improve technology and strengthen career education and college preparation facilities, all to 14
ensure our students are prepared for 21st Century jobs. 9

So vote YES on Measure "S" to: 6

- Continue improving classrooms and facilities 5
- Repair more aging buildings 4
- Further upgrade safety, technology, science labs, and energy efficiency, AND 10
- Provide a quality learning environment for current and future students 10

Measure "S" has strict accountability requirements and can only be used to repair and upgrade our 15
neighborhood schools. Measure "S" requires: 4

- A Citizens' Oversight Committee 4
- NO money for administrators' salaries 5
- Annual audits 2
- All funds spent locally on Ravenswood classrooms and facilities 9

Measure "S" makes sense. Measure "S" will continue improving Ravenswood schools – and we know 12
that improving our schools makes our community a more desirable place to live, do business, and raise a 18
family. 1

Vote YES on Measure "S"! 4
