## Rebuttal to Argument Against Measure N

Don't be misled by the two opponents of Measure N. They are not Millbrae residents, they don't understand our community and they don't have children in our schools. These two individuals oppose every measure in San Mateo County without taking the time to understand the issues.

Here are the facts:

- **Student test scores are well above the State's standard for excellence.** Our schools provide an outstanding, (well-rounded) education to Millbrae students, but we need Measure N to protect strong academic programs and retain qualified teachers.

- **Millbrae School District is among the lowest funded District in San Mateo County.** Every other school district in our county receives more funding per student. Millbrae students deserve better.

- **Measure N is fiscally responsible.** Accountability protections are built into Measure N. All funds are (locally-controlled) and citizens' oversight is required.

- **No Measure N funds can go to pensions or administrator salaries.** By law, funds can only support programs outlined in the measure. Take a look at the full ballot text printed in your voter pamphlet to see for yourself.

- **Measure N equips Millbrae students with the tools they need to succeed.** Measure N maintains (21<sup>st</sup>-century) hands-on science, technology engineering and math instruction so students are prepared for high school and college. Let's not gamble with our kids' futures.
