Rebuttal to the Argument Against Measure K

The author of the argument against Measure K habitually opposes local education funding measures and filed an argument against **EVERY** measure in San Mateo County. He is not invested in our schools or our students' futures.

As local leaders who believe that strong education is a top priority, we make it a priority to know our schools and the facts. We're voting Yes on K.

- **Our schools need Measure K now.** The District is facing a budget deficit and a local revenue source is the only way to protect our students from cuts to academic programs.
- **We cannot rely on the State to provide the funding we need to support student achievement.** The State has already cut \$5 million from our schools over the last three years. Measure K provides a dedicated source of local revenue for our schools that the State can't touch.
- **Citizens' oversight ensures Measure K supports education, not administrators.** Measure K requires audits and community reports, just like previous measures. You can read Citizen Oversight Committee minutes, verifying all funds have been spent wisely, at www.brssd.org/parcel-tax-oversight-committee. No funds can be spent on administrators' salaries.
- **Measure K protects academic programs and teachers.** Measure K generates \$1.4 million annually in locally-controlled funding to protect quality education, retain qualified teachers and keep school libraries open.

We are parents, business owners and education leaders, and we are taxpayers too. We are accountable; to our kids, to our community and to ensuring students receive the quality education they deserve.

Vote Yes on K. Vote Yes for Belmont-Redwood Shores Kids.
