Rebuttal to Argument Against Measure "Q" – RCSD (032618)

Ravenswood schools still need our help – vote YES on Measure "Q"!

At Ravenswood City School District, we know we face many challenges – but we continue to overcome them! We know we have a long journey to get there, but with the community's help, we are committed to the goal of providing every one of our students the education they deserve.

We know that resources are not as abundant as those opposing Measure "Q" – who do NOT live in Ravenswood – may think. Compared to other districts on the Peninsula, Ravenswood receives less funding. Compared to the lives of any other children in San Mateo County, Ravenswood's students face many more challenges. And the District is still in the process of making many painful budget cuts – so now we need the community to continue supporting and investing in our students and our schools! Vote YES on Measure "Q"!

Measure "Q" will extend our existing parcel tax – so vote YES on Measure "Q" to help:

- Improve local students' learning and achievement
- Invest in classroom computers and technology
- Increase student safety
- Maintain reduced class sizes
- Attract and retain highly qualified staff
- Provide a quality learning environment for current and future students

Measure "Q" will continue improving Ravenswood schools – and we know that improving our schools makes our community a more desirable place to live, do business, and raise a family. Most importantly, we know that we must continue taking steps towards providing our students with the schools and education they need and deserve.

Vote YES on Measure "Q"!
