Primary Argument Signers Form

Each signer must designate in which capacity they are signing. Check the one box that applies.

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.
 Names and titles listed will be printed in the order that they are listed below.
 If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.
 By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Governing Body of San Mateo County, a School District, or a Special District	Member(s) of the Governing Body of San Mateo County, a School District, or a Special District	Bona Fide Association of Citizens/Organization	Individual(s) eligible to vote on the measure

Argument Against San Bruno Park School District \$79M Bond – Measure X

In 2011, just 7 years ago, voters in the district passed a \$40M bond measure to do ¹⁷ the following: ²

“upgrade classrooms with computers and technology” and to “renovate and ¹⁰ modernize classrooms”. ²

Now they want to “upgrade classrooms, science labs, technology”. ⁹

It’s amazing how fast school classrooms deteriorate, isn’t it??? ⁹

Everyone knows, especially in ~~Silicon Valley~~, that technology today will be ¹⁰ obsolete in 5-6 years, or sooner. ⁷

So, who in their right mind would buy technology, on credit, i.e. via a bond, and ¹⁶ pay it off over 25-30 years? No one would do that, right? ¹³

Answer: except you, if you vote for ~~Measure X~~ / ⁸

The technology that the district previously bought in 2011, with bond money, is ¹³ undoubtedly already been recycled, but the payments, that you’re still paying for, ¹² will continue on for decades. ⁵

Vote NO on ~~Measure X~~ to stop this fiscal insanity. ⁹

The district wants to spend \$79M to help 2,669 students at a cost of \$29,599 per ¹⁶ student plus the ADA funds of \$11,022 per student that they get every year. ¹⁴

Seriously, that’s a lot of money. But, that \$79,000,000 has to be paid back, and ¹⁵ that will likely double the cost with interest and principle payments. ¹¹

ADA spending per classroom is \$289,878 each year, so they clearly already have ¹³ more than enough funds to provide everything this bond measures promises to ¹² provide, but without this whopping big tax increase ⁸

Just say NO to fiscal insanity, vote NO on ~~Measure X~~ / ¹⁰
