San Bruno Park School District
Bond Measure for Nov. 6, 2018 Ballot

AUG 02 2018

DEPUTY CLERK

Argument in Favor of Measure _

Measure _ is about one thing: Improving our local schools. ¹⁰ 9

Over the past several years, the San Bruno Park School District has made significant advances in the ¹³ quality of classroom instruction to improve academic performance for students from Kindergarten ¹² through 8th grade. ³

While the District is committed to high quality instruction, many schools are between 50-76 years old, ¹³ and don't have modern classrooms, science labs or instructional technology. Measure _ will upgrade our ¹⁴ older schools to meet current academic and safety standards. ⁹

Measure _ will: ²

- Provide the classrooms, labs, and technology needed to support high quality instruction in math, ¹⁴ science, engineering concepts, and technology; ⁵
- Repair and upgrade aging classrooms and school facilities including deteriorating roofs, plumbing, ¹² and electrical systems ³
- Improve access to school facilities for students with disabilities ⁹
- Remove hazardous materials like asbestos and lead paint from older school sites ¹²
- Replace inefficient heating, cooling, lighting and water systems where needed to conserve ¹² resources and save money on utility bills; and ⁸
- Improve student safety and campus security systems including security fencing, security cameras, ¹² emergency communications systems, smoke detectors, fire alarms, and sprinklers ⁹

San Bruno children deserve the same educational opportunities as other children in San Mateo County. ¹² Even if you do not have school-age children, supporting Measure _ is a wise investment. Good schools ¹⁶ improve the quality of life in our community and protect the value of our homes. ¹⁵

Measure _ also requires a clear system of accountability, including a Citizens' Oversight Committee and ¹² independent audits to ensure the money is spent properly - all money to benefit San Bruno children and ¹⁶ no money for administrators. All money raised will stay local. ¹⁰

Please join business and community leaders, teachers and parents to provide up-to-date classrooms and ¹⁴ technology that our students need to succeed. ⁷

Please vote YES on Measure _ . Thank you! ⁷
