**Argument in Favor of Measure U**

The Jefferson Elementary School District is committed to enhancing the safety of our schools and further strengthening the classroom experience for our students.

Over the years, with the support of the community, we have been able to successfully make improvements to our elementary schools that have improved the district's ability to provide students with 21st century learning opportunities. Although we've made gains, there still remains much for us to do collectively to ensure that our youngest students continue to have the necessary support and resources to be successful in the future.

By voting YES on Measure U, the Jefferson Elementary School District will have the opportunity to make needed investments to improve student safety, enhance and improve learning environments as well as, provide our elementary school district with the opportunity to attract quality teachers who become integral members of our close-knit community.

Vote YES on Measure U to:

- Improve local students' learning and achievement opportunities in reading, writing, math and other educational programs
- Increase student safety
- Maintain reduced class sizes
- Attract and retain highly qualified staff
- Provide a high-quality learning environment for current and future students

Measure U has strict and clear accountability requirements so that local funds can only be used for our local students. Measure U requires:

- All funds raised will be controlled locally to support our elementary and middle schools and cannot be taken away by the State
- Independent citizen oversight and annual audits are required
- All funds spent for our local students, none for administrator salaries

Measure U will continue improving Jefferson Elementary School District schools and we know that improving our schools makes our community a more desirable place to live, do business, and raise a family.

For safer, more secure schools in Jefferson Elementary School District - Unite for Kids and Vote YES on Measure U!
