Rebuttal to Argument Against Measure V

Don't be fooled by an outsider, anti-tax group who doesn't know our schools or care about our students. 17

Yes on V is critical to provide a reliable source of funding for our schools. The San Mateo-Foster City School District receives less money per pupil than most other schools in San Mateo County and faces a \$5 million budget deficit. 17

Without this measure, our district will have to make significant cuts at the expense of our kids learning outcomes and their future. 17

The San Mateo Foster-City School District provides local students of diverse needs with a quality education. However, the high cost of living has forced many teachers to leave our schools. To provide our kids with the outstanding education they deserve, we need to pay our teachers a better wage. 15

Yes on V will help our local schools attract and retain great teachers and provide outstanding school programs for local kids. 16

Yes on V will protect our property values by maintaining our quality schools, desirable neighborhoods, and vibrant community. 14

Yes on V funds local schools only. The State cannot take one penny of Yes on V funds. Yes on V funds can't be used for Administrator salaries, benefits or pensions. 21

Yes on V is fiscally accountable, with annual audits, an independent citizen's oversight committee, and continued exemptions for seniors 65+. 13

Join our coalition of parents, teachers, business and civic leaders, realtors and all of San Mateo-Foster City's school board in voting Yes on V. 15
