Argument in Favor of Measure _

Vote YES on _ to provide local funding for our elementary and middle schools that can't be taken away by the State. 5

Thanks to our supportive communities and high-quality teachers, local student achievement has continued to grow. However, the fact remains **our elementary and middle schools are among the lowest funded in San Mateo County** and are now facing a \$10 million-dollar deficit due to state mandated cost increases. 4

We know we can't rely on the state to ensure our children have access to the same quality of education as in neighboring communities. Our kids deserve better. 9

Measure _ is essential for our schools. It will provide an additional source of stable local funding to protect our students from additional cuts in the classroom, where it matters most, and ensure they are ready for high school and their futures. 10

Voting Yes on Measure _ allows our schools to attract and retain our award-winning teachers by providing them with the resources they need to help our students succeed. 12

Measure _ Protects Student Success: 4

- Attracts and retains highly-qualified teachers 6
- Supports reading and writing skills 5
- Maintains science, technology, engineering and math instruction 7
- Reduces class sizes in kindergarten and first grade 8

Every Penny Supports Local Elementary and Middle Schools 8

- All funds stay local and cannot be taken by the State 11
- No money can be used for administrator salaries 8
- Independent citizens' oversight and annual audits ensures funds are spent as promised 12
- Senior citizen homeowners continue to be eligible for an exemption 10
- Measure _ expires in 12 years and cannot be renewed without voter approval 12

Quality local schools help keep our communities strong and protect local property values. 13

ALL students deserve access to a quality education. Please join parents, teachers and community leaders in voting Yes on _ . 7
