Argument in Favor of Measure O

Vote Yes on Measure O: continue funding critical repairs to aging schools and provide a safe learning environment for Burlingame students.

Burlingame's elementary and middle schools are among the best in the Bay Area and State. However, students and teachers are performing at high levels despite the state of local classrooms and school facilities, some of which are over 100 years old and in need of replacement.

Some classrooms have dry rot, roofs leak and pipes have burst. Electrical systems predate computers and deteriorating buildings simply aren't fit for a 21st-century education.

Much progress has been made in recent years, with Phase I improvements completed as promised, yet safety concerns and educational needs still need to be addressed. We can't rely on the State or any other funding source to get the job done.

Measure O provides dedicated, locally controlled funding to improve our campuses. By law, all Measure O funds can only support Burlingame School District schools — the State can't take one penny.

Safe Schools for Modern Learning

- Repair or replace outdated classrooms and labs to support 21st-century education
- Remove dry rot, lead and asbestos
- Protect student and staff safety, including installing security cameras
- Fix leaky roofs
- Replace aging and inefficient plumbing and electrical systems

Strict Fiscal Accountability Is Mandatory

- No Measure O funds can be taken by the State
- An independent Citizens' Oversight Committee will review every expenditure
- Third-party, public audits are required annually
- A comprehensive project list details the exact use of funds
- Measure O funds cannot be used for administrator salaries

Burlingame's schools are integral to the strength of our city and among the top reasons our community is a desirable place to live. Measure O is a wise investment for all residents because keeping our schools strong keeps our property values strong.
