Rebuttal to the Argument Against Measure O

Let's not be fooled by one lone ideologue. Take a look at your ballot pamphlet; our opponent submitted a boiler plate argument against every school measure in San Mateo County despite living more than 50 miles away. How does he know what's best for Burlingame schools?

We've lived, worked and raised our families here. Our schools and community need Measure O. Here are the facts:

- **Student safety is our number one priority.** That's why Measure O funds security cameras and other key safety improvements.
- **Burlingame School District has a proven track record of excellent fiscal management.** Past measures were never promised or intended to address every need in the District. Every penny was spent as promised. View past oversight reports for yourself at tinyurl.com/BurlingameOversight.
- **Measure O includes crystal clear fiscal accountability.** Annual audits, independent citizens' oversight and a detailed project list are written directly into the measure, ensuring all funds are spent only on voter approved projects.
- **We cannot rely on State funding; Measure O is the only option to repair our aging schools.** The State does not provide funding to fix leaky roofs or remove dry rot. In fact, the only way to become eligible for State facilities funding is to pass a local measure like Measure O.

Burlingame residents recognize the value of strong local schools. They see it every day in the strength of our community and the strength of our property values. Completing urgent repairs is good for our schools and good for our community.

Vote Yes on O: Outstanding Burlingame Schools.
