Jefferson Union High School District
Rebuttal to Argument Against Measure J

PROTECT OUR STUDENTS' SAFETY. SAVE TAXPAYER DOLLARS. 7

The argument filed against Jefferson Union High School District's Measure J is simplistic, 9 misleading and shortsighted. Maybe that's because the organization that took it upon itself to 11 tell us how to manage **OUR** local high schools **isn't even located in our district or, for that 18 matter, in San Mateo County!** 3

The facts: 2

53

Ensuring our children's safety is job #1. 7

There can be no compromise on student safety. We must provide our children with secure 15 campuses and safe classrooms. 4

Our schools need to be repaired. 6

From outdated plumbing to modernizing aging classrooms, Measure J will repair schools 2 throughout the District. 3

Measure J is fiscally prudent. 5

The District's Board of Trustees has developed a financial strategy that replaces previously 11 approved bonds with new bonds, **without increasing** the amount of debt and saving millions in 15 interest. 1

52

Strict taxpayer safeguards and citizen oversight begin immediately. 8

Every Measure J project will be thoroughly analyzed by the district's Board of Trustees and 13 professional auditors. An independent committee of local citizens is already in place with the 14 legally mandated responsibility to review the spending of each and every Measure J dollar. 14

25

If our students are to excel, they must have access to safe schools that meet today's 16 educational standards. Measure J accomplishes these goals and protects taxpayers. 10

Vote YES on Measure J! 4
