Rebuttal to the Argument Against Measure RR

Measure RR is supported by small businesses, regional and local leaders, organized labor and community groups fighting for our county's seniors, veterans, disabled residents and low-income families and individuals. Would they support Measure RR if they didn't think it would make a meaningful difference for traffic relief and public transit in San Mateo County?

Here is what our opponents failed to mention:

Thousands of essential workers — like nurses, teachers and first responders — rely on Caltrain daily. They deserve fast, consistent and safe transportation. While many of us have the luxury of working from home during the pandemic, these local heroes rely on Caltrain to do the work that keeps us safe.

Voting Yes on RR will remove thousands of cars from our highways every day. Without Caltrain, traffic congestion will soon be worse than before COVID-19.

Citizens' oversight and independent financial audits will promote transparency and accountability, ensuring that Measure RR funds are used to improve transit and reduce traffic, not fund administrator salaries. Every penny must support Caltrain's efforts to relieve traffic congestion, reduce pollution and increase efficiency.

Measure RR invests in cleaner, quieter and more environmentally friendly trains that reduce air and noise pollution. That's good for everyone, regardless of where you live or how much you make.

Don't fall victim to the naysayers' scare tactics: Measure RR only adds one penny to an \$8 purchase and essentials like groceries and medicine are exempt. That's a small price to pay to prevent traffic congestion and save Caltrain.

Yes on RR — Rescue Caltrain, Reduce Traffic.
