

## Argument in favor of Measure N

A Yes vote on Measure N will raise funds to address specific needs at all of the schools in the Millbrae School District. By continuing to invest in the renovation and expansion of our local schools, we provide our students with an educational environment which supports achievement and success.

Millbrae voters approved Measure X in 2008. Since then, the district has installed new fire alarm systems, replaced leaking and deteriorating roofs, upgraded electrical and plumbing systems, renovated student restrooms, completed safety and seismic upgrades, and increased student and teacher access to classroom computers and technology. But there is much more to do.

There are still many classrooms that need to be renovated and updated. Greater energy efficiency can be achieved by replacing windows, light fixtures and old heating and electrical systems. In some schools, floors and failing ventilation systems need to be replaced. Finally, at Taylor Middle School, the cafeteria that was built for 350 currently serves 850 students and needs to be replaced.

Passage of Measure N will allow the district to:

- Modernize and renovate classrooms.
- Complete the upgrading of water, gas, sewer, electrical, communications and safety systems.
- Upgrade and improve electrical systems, increasing the ability of students and teachers to use classroom computers and technology.
- Build a new cafeteria at Taylor Middle School.

Measure N provides for strict accountability. The School Board adopted a specific project list when calling the election. In addition, an Independent Citizens Oversight Committee will monitor all bond expenditures. This committee of local residents will make sure that all bond funds are spent as planned for the benefit of local students.

**Quality educational facilities protect and enhance our property values and support our students. Good schools make great communities.**

Please Vote Yes on Measure N.
