(Full Text)

Transfer of Territory from Belmont-Redwood Shores Elementary and the Sequoia Union High School Districts to San Mateo/Foster City and San Mateo Union High School Districts

This ballot measure proposes to reorganize the Belmont-Redwood Shores Elementary and Sequoia Union High School Districts and the San Mateo/Foster City and San Mateo Union High School Districts, by changing the boundaries of the four school districts so that the parcels of real property currently consisting of 47 residences located between the even numbers of 2020-2098 and the odd numbers of 2025-2089 Fairmont Drive in San Mateo, California, 94002, ("the territory"), which is currently located within the Belmont-Redwood Shores Elementary and the Sequoia Union High School Districts, will be located within the San Mateo/Foster City and San Mateo Union High School Districts effective July 1, 2013. By operation of law, the proposed measure would make residents of the territory residents of the San Mateo/Foster City and San Mateo Union High School Districts; with all the rights and responsibilities of other residents of those school districts. Owners of parcels within the territory would be subject to all taxes and other obligations of other parcels within the San Mateo/Foster City and San Mateo Union High School Districts. A parcel will be defined as any unit of land that now receives a separate tax bill from the County Assessor's Office.
