OFFICE OF
**ASSESSOR-COUNTY CLERK-
RECORDER & ELECTIONS**
COUNTY OF SAN MATEO

MARK CHURCH
CHIEF ELECTIONS OFFICER &
ASSESSOR-COUNTY CLERK-RECORDER

Spring 2022

Dear Candidate:

I commend you for your decision to seek public office. The success of our democratic system relies on citizen involvement, both at the ballot box and the rostrum. To participate as a candidate is to commit your time and energy to your community, and this invaluable contribution is deserving of our respect and support.

As a candidate for office, you are now responsible for the legalities of candidacy, campaigning and financial reporting. The process can be confusing, even for the most seasoned candidates.

We have developed this Candidate Guide, and we will hold two online Candidate Seminars, to help you understand your responsibilities and resources in the June 7, 2022 Statewide Direct Primary Election. I highly recommend that you attend one of these online seminars. Even if you have run for office before, these briefings will ensure your understanding of current laws, forms, reporting rules and campaign management tips. Immediately following each Candidate Seminar, we offer a seminar on Voter Data. This session will inform you on what data is available and how to obtain it.

Candidate Seminars (choose one session)

10 a.m., Tuesday, January 11, 2022

2 p.m., Tuesday, February 8, 2022

Voter Data Seminars (immediately following the Candidate Seminars)

11:30 a.m., Tuesday, January 11, 2022

3:30 p.m., Tuesday, February 8, 2022

In addition to the seminars, our website has an abundance of useful information, including an election calendar, "how to request" voter file data, an electronic copy of this Candidate Guide, the specific requirements and steps for including voter registration and/or Vote by Mail information in your campaign materials, Vote Center lookups and voting options for voters. Please explore it at www.smacre.org.

Lastly, I feel privileged and honored to serve you in my capacity as your Chief Elections Officer. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filing to our Lead Candidate Services Representative Michelle Yue at 650.312.5293 or candidateservices@smacre.org.

Sincerely,

Mark Church

COVID-19 and Electronic Candidate Filing Option

Background

In light of the COVID-19 pandemic, our office is offering an electronic filing option. Although our office continues to offer in-person filings, we strongly encourage candidates to take advantage of the electronic filing option to maintain the health and safety of both candidates and elections staff during the COVID-19 pandemic.

Receiving Candidate Filing Documents Electronically

1. Candidates need to provide our office a written request to receive candidate filing documents electronically by using the County's Candidate Registration Form. The Candidate Registration Form can be downloaded on the County's website www.smcacre.org or be requested by phone or email.
2. Upon receiving the written request from the candidate and establishing the eligibility of the candidate, the Registration & Elections Division will email all candidate filing forms to the candidate in fillable PDF format.

Completing Candidate Filing Documents

1. Once the candidate has received all the filing forms via email, our staff will assist the candidate with filling out each form by an online video conference tool or by phone.
2. Any documents that require an oath by candidates may be executed in the presence of the County Elections Official via an online video conferencing service. The oath CANNOT be done by phone. If candidates do not have the technical ability to do so, candidates may go to a notary or visit the Registration & Elections Division to take the oath in person.

Returning Candidate Filing Forms

1. Upon completing all the filing forms, candidates should provide electronic signatures on all forms before emailing the forms back to our office.
2. **IMPORTANT:** Candidates MUST print all the completed filing forms, sign each form, and mail or drop off their completed hard copy documents with original (wet) signatures to the Registration & Elections Division by the close of the Candidate Filing Period of March 11, 2022 or March 16, 2022 for extended offices.

If the County Elections Official does not receive the completed documents with original signatures from the candidate by the filing deadline, the candidate will NOT be considered qualified, and his or her name will NOT be on the ballot.

Visiting the Election Office and Social Distancing

We strongly encourage candidates to practice social distancing when working with the Registration & Elections Division staff in person and ask that candidates take the following steps:

1. Make an appointment before coming to the Registration & Elections Division to file documents or take the oath.
2. You must wear a mask and practice social distancing rules when visiting the Registration & Elections Division.
3. Do not come to the Registration & Elections Division when having flu-like symptoms. Candidates with flu-like symptoms should choose the electronic filing option.

COVID-19 and Electronic Candidate Filing Option (continued)

4. Avoid the last day crowd. Our office traditionally had many candidates filing on the last day of the filing period. We strongly urge candidates to avoid the last day crowd. If candidates want to publish a candidate statement, please file early and do not wait until the last day.

The staff at the Registration & Elections Division sincerely appreciate your understanding and cooperation in our effort to make the candidate filing process safe for everyone during these extraordinary times. If you have any questions or concerns, please contact our Candidate Filing Representative Michelle Yue at 650.312.5293 or myue@smcacre.org.

Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate who currently holds an office is elected to a second office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

This doctrine of incompatible offices precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “one individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (*Eldridge v. Sierra View Local Hosp. Dist.* (1990) 224 Cal.App.3d 311, 319.)

Government Code Section 1099 provides detailed guidance on incompatible offices and specifies the defining characteristics:

Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

- (1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.
- (2) Based on the powers and jurisdictions of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.
- (3) Public policy considerations make it improper for one person to hold both offices.

A number of legal opinions issued by the Office of the California Attorney General offer additional guidance in determining whether or not certain offices are incompatible. Here are five examples of offices that the Attorney General's Office has deemed to be incompatible:

- (1) the offices of city councilman and school district board member where the city and the school district have territory in common (65 Ops. Cal. Atty. Gen. 606 (1982));
- (2) the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county (66 Ops. Cal. Atty. Gen. 176 (1983));
- (3) the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district (79 Ops. Cal. Atty. Gen. 284 (1996));
- (4) a water district director and a city council member where water district sets rates that indirectly affect rates charged to city (85 Ops. Cal. Atty. Gen. 199, 200 (2002)); and
- (5) a water district director and a school district trustee having territory in common (73 Ops. Cal. Atty. Gen. 268 (1990)).

Signatures in Lieu of Filing Fee

A candidate may submit a petition containing signatures of registered voters in lieu of paying a filing fee to run for office. EC §8106(a), (b)(1)-(2).

When a candidate submits a Signatures in Lieu of Filing Fee Petition, the County Elections Official shall examine and validate each signature. WARNING: Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any nomination paper in his or her possession that is entitled to be filed under the provisions of the Elections Code. (Elections Code § 18202.)

Guidelines for Gathering Signatures

These guidelines apply to both Signatures in Lieu of Filing Fee Petitions and Nomination Papers

With a prudent regard for strict deadlines and eligibility requirements for signers, we strongly encourage candidates to proceed without delay in gathering signatures and submitting them with the required Signatures in Lieu of Filing Fee Petitions or Nomination Papers to the Registration & Elections Division. By filing in advance of the deadline, you will allow yourself time to gather additional signatures in the event that:

- (1) For Signatures in Lieu of Filing Fee Petitions – you have more time to decrease your filing fee.
- (2) For Nomination Papers – you may need to obtain additional signatures based on the number that are disqualified during the examination of your papers.

Who can circulate Signatures in Lieu of Filing Fee Petitions and Nomination Papers?

A circulator must be 18 years of age or older. A candidate may serve as a circulator of the candidate's own Signatures in Lieu of Filing Fee Petition or Nomination Paper. Candidates may also sign their own Petition or Paper, and the signature will be given the same effect as that of any other qualified signer.

EC §§102, 106

Petitions and Papers Must Include Declaration of Circulator

(a) Wherever any petition or paper is submitted to the Elections Official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

- (1) The printed name of the circulator.
- (2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
- (3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

- (1) That the circulator circulated that section and witnessed the appended signatures being written.
- (2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.
- (3) That the circulator is 18 years of age or older.

(c) The circulator shall certify the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of the circulator's name. The circulator shall state the date and the place of execution on the declaration immediately preceding the circulator's signature.

EC §104

Guidelines for Gathering Signatures (continued)

Who is a Qualified Signer to a Petition or Paper?

Any registered voter may sign a Petition or Paper for any candidate for whom he or she is eligible to vote. Each voter shall at the time of signing the Petition or Paper **personally affix** his or her signature, printed name and place of residence, including the street and number of the place of residence, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. All signers of the same section of a petition must be registered in one county. Different sections must be used in each county where the petitions are circulated and filed with the County Clerk in the affected county.

EC §100, 8068, 8106

Applying Signatures in Lieu towards Nomination Signature Requirement

If a candidate submits a Signatures in Lieu of Filing Fee Petition, all valid signatures appearing on the Petition shall be counted towards the number of voters required to sign a Nomination Paper.

If a Signatures in Lieu of Filing Fee Petition contains the requisite number of valid signatures required for the Nomination Paper, the candidate shall not be required to file a Nomination Paper.

If a Signatures in Lieu of Filing Fee Petition does not contain the requisite number of valid signatures required for the Nomination Paper, the candidate shall be entitled to file, within the time period allowed for filing a Nomination Paper. In this case, the candidate who submits a Nomination Paper shall only be required to obtain the number of signatures thereon needed to supplement the Signatures in Lieu of Filing Fee Petition so that the combination of signatures appearing on the Petition and the Nomination Paper equals or exceeds the requisite number of signatures required for the Nomination Paper.

EC §8061

The Nomination Paper shall be delivered to the County Elections Official of the county in which the signer resides and is a voter.

EC §8063

Voters May Sign Only One Paper Per Open Position

No signer shall, at the time of signing a certificate, have his or her name signed to any other Nomination Paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled.

EC §8069

Circulating within 100 Feet of Polling Place

Signatures for Signatures in Lieu of Filing Fee Petitions and Nomination Papers shall not be obtained on Election Day or at any time that a voter may be casting a ballot within 100 feet of the entrance to a building that contains a Vote Center as defined by Elections Code Section 338.5, an elections official's office, or a satellite location specified in Elections Code Section 3018; or within 100 feet of an outdoor site, including a curbside voting area, at which a voter may cast or drop off a ballot.

EC §18370

Guidelines for Gathering Signatures (continued)

Registering Voters at Time of Signing Signatures in Lieu of Filing Fee Petitions and Nomination Papers

Candidates may register voters at the same time as the voter signs the candidate's Signatures in Lieu of Filing Fee Petition and/or Nomination Paper. For purposes of verifying signatures on a Petition or Paper, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (1) the affidavit is signed on the same date or a date before the signing of the Petition or Nomination Paper, and (2) the affidavit is received by the County Elections Official on or before the date on which the Petition or Nomination Paper is filed.

EC §2102(b)

Validation of Signatures

The County Elections Official shall verify the signatures of the signers on the Signatures in Lieu of Filing Fee Petition or Nomination Paper with the registration affidavits on file in the office of the County Elections Official. The County Elections Official shall mark "not sufficient" any signature that does not appear in the same handwriting as appears on the affidavit of registration in his or her office, or that is accompanied by a declaration of party preference that is not in accordance with the declaration of party preference in the affidavit of registration. The County Elections Official may cease to verify signatures once the minimum requisite number of signatures has been verified.

EC §8081

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document.

EC §8102

The signer must be a registered voter residing at his or her address of registration, at the time of signing any Petition or Nomination Paper.

- (c) A candidate for superior court judge who is an active member of the State Bar and practices law as one of his or her principal professions shall use one of the following ballot designations as his or her ballot designation: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.
- (d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word

Ballot Designation (continued)

- (e) The Secretary of State and any other elections official shall not accept a designation of which any of the following would be true:
 - (1) It would mislead the voter.
 - (2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
 - (3) It abbreviates the word “retired” or places it following any word or words which it modifies.
 - (4) It uses a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”
 - (5) It uses the name of any political party, whether or not it has qualified for the ballot.
 - (6) It uses a word or words referring to a racial, religious, or ethnic group.
 - (7) It refers to any activity prohibited by law.
- (f) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate’s ballot designation worksheet.
 - (1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a) or (b).
 - (2) If a candidate fails to provide a designation that complies with subdivision (a) or (b) within the three-day period specified in paragraph (1), a designation shall not appear after the candidate’s name.
- (g) A designation given by a candidate shall not be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (f) or as provided in subdivision (h). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.
- (h) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days before the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.
- (i) In all cases, the words so used shall be printed in a manner consistent with the space requirements of Sections 13207 and 13211.

Ballot Designation (continued)

- (j) If a foreign language translation of a candidate's designation is required under the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

Support Your Ballot Designation using Ballot Designation Worksheet

- (a) A candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.
- (b) The ballot designation worksheet shall be filed with the Elections Official at the same time that the candidate files his or her Declaration of Candidacy.
- (c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot.

EC §13107.3

Use of the term "Community Volunteer" as a Ballot Designation

A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

- (1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
- (2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

EC §13107.5(a)

Notwithstanding paragraph (2) of subdivision (a) of Section 13107, a candidate for the office of Representative in Congress, Member of the State Board of Equalization, State Senator, or Member of the Assembly shall not choose the word "incumbent" as a designation to appear on the ballot. This subdivision shall not be construed to prevent a candidate from choosing a designation of the elective office which the candidate holds at the time of filing the nomination documents, to which the candidate was elected by vote of the people in accordance with paragraph (1) of subdivision (a) of Section 13107.

EC §8168(a) (New Law)

Secretary of State's Regulations on Ballot Designation

The California Secretary of State has adopted regulations (Chapter 7 of Division 7 of Title 2 of the California Code of Regulations) relating to ballot designations for certain offices. The San Mateo County Elections Official has opted to refer to those regulations to provide guidance in addressing issues which arise relating to ballot designations for local offices; however, the San Mateo County Elections Official retains full discretion to interpret the regulations and to make decisions based on other considerations. The regulations are available online at www.oal.ca.gov/publications/ccr or at www.sos.ca.gov/administration/regulations/current-regulations/elections/ballot-designations.

WARNING: Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any declaration of candidacy in his or her possession that is entitled to be filed under the provisions of the Elections Code. (Elections Code § 18202.)

Other Forms

The entire set of official forms relating to becoming a candidate and operating an election campaign will be provided by the Registration & Elections Division at the time of your candidate filing appointment. City candidates should obtain the appropriate forms from their City Clerk.

Ballot Designation Worksheet (Required if the candidate chooses a Ballot Designation)

If a candidate provides a ballot designation on the Declaration of Candidacy, a Ballot Designation Worksheet (in the form prescribed by the Secretary of State) must also be filed at the same time as the Declaration of Candidacy. The Ballot Designation Worksheet provides verification and supporting information as to the validity of the candidate's proposed designation as well as alternate designations, should the Elections Official find the proposed designation to be invalid. If a candidate fails to file the required Ballot Designation Worksheet, no designation shall appear under the candidate's name on the ballot.

EC §13107.3

Code of Fair Campaign Practices (Voluntary)

The Legislature encourages every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

EC §20400

At the time an individual is issued his or her Declaration of Candidacy, Nomination Papers, or any other paper evidencing an intention to be a candidate for public office, the Elections Official shall give the individual a blank form of the Code of Fair Campaign Practices and a copy of Chapter 5, Division 20, of the Elections Code, which can be obtained at https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=ELEC&division=20.&title=&part=&chapter=5.&article=1.

The Elections Official shall inform each candidate for public office that subscription to the code is **voluntary**. The Elections Official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to the Code of Fair Campaign Practices is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the Code.

EC §§20440 – 20444

Other Forms (continued)

Character-Based Name Form

In San Mateo County, all election information that is provided in English about voter registration, elections and voting, including information provided in Vote Centers and the voting booths, must also be provided in Chinese, Filipino and Spanish to allow effective participation of all individuals in the electoral process and all voting-related activities.

Voting Rights Act, 52 U.S.C §10503

Further, California law provides that, if a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate to the local elections official that the candidate has been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

EC §13211.7(b)

Candidates should provide their character-based names on the Character-Based Name Form, along with supporting documents. Candidates without character-based names will automatically be given a phonetic transliteration of their names in Chinese.

Candidate Statement of Qualifications Form

Candidates should use this form as a cover when submitting a candidate statement. For more details, please see page 42.

Permission to Post Personal Information on San Mateo County's Website Form

The County Elections Official posts a Candidate Roster on www.smcacre.org to reflect which candidates have filed papers for each office on the ballot. A candidate statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

EC §13307(a)(1)

A candidate statement shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way reference other candidates for that office or another candidate's qualifications, character, or activities.

EC §13308

Candidate Statement Guidelines (continued)

When and Where to File Candidate Statement

A candidate statement shall be filed in the office of the Elections Official when the candidate's Nomination Papers are returned for filing. If it is for an election for which Nomination Papers are not required to be filed, a statement shall be filed in the office of the Elections Official no later than the 88th day before the election.

EC §13307(a)(2)

It is strongly recommended that the candidate statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement.

Withdrawal and Change of Candidate Statement

Any candidate may withdraw his or her candidate statement, either in person or by a signed statement of withdrawal, no later than 5 p.m., on March 14, 2022 (the next business day following the close of the nomination period) or no later than 5 p.m., on March 17, 2022 for extended offices. However, once filed, a candidate statement CANNOT be changed.

EC §13307(a)(3)

Confidentiality of Candidate Statement before End of Filing Period

Notwithstanding the California Public Records Act, candidate statements shall remain confidential until expiration of the filing deadline.

EC §13311

Public Examination of Candidate Statements

Statements are available for public examination in the office of the Elections Official during the 10-calendar-day review period (commencing at 5 p.m. March 11, 2022, or at 5 p.m. March 16, 2022 for extended races) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the County Elections Official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. (City candidates' statements are reviewed at the City Clerk's Office.)

EC §13313

Format of Candidate Statement

In order to ensure uniformity of all candidates' statements, each candidate must prepare the statement according to the following guidelines:

- Type the statement exactly as you wish it to appear. Attach a completed copy to the Candidate Statement of Qualifications.
- In addition to a hard copy, please provide the statement on a flash drive or by email to candidateservices@smcacre.org in plain text format or attachment of a Word document.
- One signed hard copy must be filed by the deadline. If there are any discrepancies between the hard copy and the electronic copy, the hard copy will prevail.
- Do not use formats that are underlined, **bolded**, *italicized* or ALL CAPITALIZED.
- Do not use any unusual spacing, punctuation, indentations, bullets or an outline format.
- Check your statement for errors in spelling, punctuation and grammar. Remember, statements cannot be changed once they are filed, and the County Elections Official is not responsible for correcting these errors.
- Do not go over the word number limit. Use the word count guidelines on the following page when counting words.

Candidate Statement Guidelines (continued)

If a statement is submitted and found non-compliant in format, the County Elections Official will make the necessary changes to create compliance. Note if a statement has many proper nouns, particularly those consisting of multiple words, although the final word count is under the word limit based on our guideline, the length of the content may go over the space allocated for the statement. If this happens, **we may remove the paragraph spacing** (and there will be no paragraph indentations, as indicated above) in order to fit the statement in the space allocated.

Candidate Statement Heading in Sample Ballot & Official Voter Information Pamphlet

The heading includes the candidate's name (required) as provided on the Declaration of Candidacy, age (optional) and occupation (optional) as provided on the Candidate Statement of Qualifications Form. All statements will be formatted to begin with the words: **"Education and Qualifications:"** followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words "Education and Qualifications" do not count toward the number of words allowed for the statement.

Final Review and Sign-Off of Candidate Statement

Final copies of how candidate statements will appear in the Sample Ballot & Official Voter Information Pamphlet will be emailed to each candidate for review and "sign-off" approval. Changes will only be made if the content of the finalized version (not the format or layout) differs from the hard copy submitted or if an error in the content was made on the part of the Registration & Elections Division.

The same "sign-off" process is used for the Chinese, Filipino and Spanish translations of candidate statements. Statements are translated by certified translators and then proofed against the original English hard copy. Changes will only be made to the Chinese, Filipino and Spanish versions of a candidate's statement if the finalized version differs from the hard copy or if an error was made on the part of the translators. We will not make changes if it is a matter of translation preference.

A 24-hour turnaround time is required to meet printing deadlines. Any delay in signing-off jeopardizes the printing and mailing schedule. No reply after the 24-hour review period means the statement is approved as emailed to the candidate.

Candidate Statement Guidelines (continued)

Word Count Guidelines

Pursuant to the interpretation of Section 9 of the Elections Code by the San Mateo County Elections Official, each word in candidate statements, ballot questions, measure arguments and impartial analyses will be counted as one word **except as specified below**:

- Punctuation is **not** counted. This refers to the following symbols: , . : ; ! ? () [] ' ”
- Symbols such as \$, #, *, and % are **not** counted as separate words.
- All proper nouns, including geographical names, shall be counted as one word. Examples include: *City and County of San Francisco, San Mateo County Charter, or John Charles Fremont.*
- Each abbreviation or acronym for a word, phrase or expression shall be counted as one word, such as *Feb.* (February), *Wed.* (Wednesday), *NASA*, *e.g.*, *i.e.*, *J.D.*, *PhD.* and *K-8*.
- Hyphenated words that appear in any generally available standard reference dictionary published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted shall be counted as one word. Each part of all other hyphenated words shall be counted as a separate word. The Chief Elections Officer retains discretion to determine whether a word is included in a standard reference dictionary for these purposes.
- Dates shall be counted as one word, whether purely numeric (*06/14/1846*) or otherwise (*July 4, 1776; September Eighth, Nineteen Sixty-Six*).
- Any number consisting of a digit or digits shall be counted as one word (*100; 3; 525,600*). Any number which is spelled shall be considered as a separate word or words. Thus, for example, “*One*” will be counted as one word, while “*One Hundred*” will be counted as two words and “*Five Hundred Thousand*” as three words.
- Telephone numbers will be counted as one word.
- Website addresses and email addresses will be counted as one word.
- In an itemized list, headers such as “A.)” or “1)” will be counted as one word. Bullet points will not be counted as a separate word. (*Candidate statement does not allow bullet points*)
- Name, age and occupation located in the **header of a candidate statement only** are **not** counted towards the word count.
- If the text exceeds the word limit, the author will be asked to rewrite the text to bring the total number of words within the required word limit. If the author refuses to alter the text in this manner, the County Elections Official will remove words from the bottom up to meet the word limit requirement.

Candidate Statement Guidelines (continued)

Candidate Statement Costs and Payment

Candidates shall bear the cost of printing, mailing and translating their statements in the Sample Ballot & Official Voter Information Pamphlets unless their jurisdictions agree to pay for the candidates.

All candidates (except those whose statements are paid by jurisdictions) must pay an estimated fee at the time of filing their candidate statements. City candidates should pay the city directly, while other candidates pay the County. Once actual final costs are calculated after the election, **all candidates will be either refunded or requested to pay more.**

The Registration & Elections Division does its best to provide the most accurate estimated fee, but **the final cost can vary, oftentimes significantly, from the cost estimate**, mainly due to the number of submitted statements appearing on one page, among other factors. For example, for an office that requires 200-word statement, if two candidates choose to publish statements, the cost will double as opposed to four candidates choosing to publish the statement.

An Example of How Candidate Statement Estimated Fee is Calculated

Candidate statement fee is based on the printing, mailing and translating costs of the Sample Ballot & Official Voter Information Pamphlets.

The following is a step-by-step example of how the estimated fee is calculated:

1. Estimate the total number of pages ordered for ALL booklets in the election.
2. Estimate the total printing and mailing costs for ALL booklets in the election.
3. Divide the estimated total printing and mailing costs by the estimated total number of pages ordered to calculate the estimated cost per page per booklet.

Example: $\$280,000.00 / 7,000,000 \text{ pages} = \$0.04 \text{ cost per page per booklet}$

4. Multiply each jurisdiction's total booklet order (the total number of registered voters) by the estimated cost per page per booklet to get the estimated cost of printing and mailing per page for the jurisdiction.

Example: Jurisdiction with 30,041 registered voters = $30,041 \times \$0.04 = \$1,201.64 \text{ cost per page}$

5. Divide this cost by the estimated total number of filed statements.

Example: 3 statements = $\$1,201.64 / 3 = \$400.55 \text{ per statement (the amount will be rounded to the nearest cent)}$.

6. Add the estimated cost of translating the candidate statement into Spanish, Chinese and Filipino.

Example: Spanish Translation = \$100
Chinese Translation = \$80
Filipino Translation = \$75

In this example, the final estimated cost for the three candidates is \$530.55 each.

Example: $\$400.55 + \$100 + \$80 + \$75 = \$655.55$. The amount will be rounded to the nearest dollar, so \$656 is the final cost estimate

Language translating costs are just examples and are subject to change.

Fictitious Samples of Candidate Statements

Below are fictitious samples of 200-word statements as they would appear in the County Sample Ballot & Official Voter Information Pamphlet. Statements will appear in the same order as the candidates' names appear on the ballot, except for offices elected throughout the county (which are rotated on the ballot by Supervisorial district, but not rotated in the County Sample Ballot & Official Voter Information Pamphlet).

California State Contribution Limits (Continued)

Effective January 1, 2021 – December 31, 2022

The contribution limits are effective for elections held between January 1, 2021 and December 31, 2022. (2 C.C.R. § (“Regulation”) 18545.) These limits do not apply to contributions made to elections in previous years. Such contributions are subject to the limits in place for that year see previous charts.

Legal Defense Funds

Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling. However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney’s fees and other legal costs related to the proceeding for which the fund is created. (GC §85304; Regulation 18530.4.)

Recall Elections

A state officeholder and city or county officeholder subject to GC §85301(d) who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election. Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt. Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office. (GC §85315; Regulation 18531.5.)

Ballot Measure Committees

Contributions to ballot measure committees controlled by a candidate for elective state office or a candidate for elective city or county office subject to GC §85301(d) are not limited.

Contributions from State Candidates and Candidates subject to GC §85301(d)

A state candidate or candidate for elective city or county office subject to GC §85301(d) may not contribute more than \$4,900 to a committee controlled by another state candidate or candidate for elective city or county office subject to GC §85301(d). This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate’s personal funds and from campaign funds. (GC §85305; Regulation 18535.) This limit does not apply to a committee controlled by a state candidate or a committee controlled by a candidate for elective city or county office subject to GC §85301(d) to oppose his or her recall or their contributions made to a legal defense fund established by a candidate for elective state office or candidate for elective city or county office subject to GC §85301(d). It also does not apply to contributions made by a candidate for elective state office or a candidate for elective city or county office subject to GC §85301(d) to a ballot measure committee controlled by another state candidate or candidate for elective city or county office subject to GC §85301(d). Please note there are certain rules applicable to use of funds held by state officeholder committees (See Regulation 18531.62.)

Communications Identifying State Candidates

Any committee that makes a payment or a promise of payment totaling \$50,000 or more for a communication that:

1. Clearly identifies a state candidate; but

2. Does not expressly advocate the election or defeat of the candidate; and
 3. Is disseminated, broadcast, or otherwise published within 45 days of an election,
- may not receive a contribution from any single source of more than \$40,500 in a calendar year if the communication is made at the behest of the candidate featured in the communication. (GC §85310.)

Officeholder Committees

Officeholder contributions must be cumulated (in full) with any other contributions from the same contributor(s) for any other future elective state office or elective city or county office subject to GC §85301(d) for which the officeholder maintains a controlled committee during the term of office in which the contribution is received. Contributions to candidates for future elections and to their officeholder account are cumulated for purposes of contribution limits. (Regulation 18531.62.)

Contributions from State Lobbyists

A state lobbyist may not contribute to a state officeholder’s or candidate’s committee if the lobbyist is registered to lobby the agency of the elected officer or the agency to which the candidate is seeking election. The lobbyist also may not contribute to a local committee controlled by any such state candidate. (GC §85702; Regulation 18572.) In addition, effective January 1, 2015, lobbyists and lobbying firms may no longer take advantage of the \$500 or less home/office fundraiser exception that is available to other individuals and entities. (GC §82015(b)(5)(A).)

Local Elections

Many cities and counties have local contribution limits and other election rules. “Local Campaign Ordinances” are listed on the FPPC’s website. Check with your city or county about contribution limits for local elections. A State campaign contribution limit will by default apply to city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates.

Spring 2022

Dear Candidate:

Every campaign season our office receives a number of calls from property owners complaining of uninvited campaign signs being placed on private property. This letter serves as a reminder of California Penal Code Section 556.1, which requires the property owner's prior consent for such advertising activity:

It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks within San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church

California Voter's Choice Act

Overview

The June 7, 2022 Statewide Direct Primary election is going to be another election conducted under the California Voter's Choice Act. The California Voter's Choice Act, was enacted to increase voter participation, enlist public engagement, and expand voting options for all voters. The law fundamentally changes the manner in which future elections are to be conducted by establishing an All-Mailed Ballot/Vote Center election model, utilizing Vote Centers and Ballot Drop-off Locations strategically placed throughout the county.

Voting Options

Under the Voter's Choice Act, all voters will be mailed a ballot 29 days before the election with a postage-paid envelope to return the ballot.

Voters will be able to cast their ballots by choosing one of three methods:

Vote by Mail

You can vote and mail your ballot in the postage-paid return envelope on or before Election Day.

Drop off Your Voted Ballot at a Ballot Drop-off Location

You can vote and return your ballot into a secure Ballot Drop-off Box. Ballot Drop-off Boxes will be located throughout San Mateo County starting 28 days before the election.

Vote in Person

Vote Centers look and feel like polling places, but provide additional services and options for voters. You can go to any Vote Center in San Mateo County to:

- Vote on an accessible voting machine
- Vote on a paper ballot
- Access multilingual election materials and receive assistance from English, Spanish, Chinese, Filipino, Burmese, Hindi, Japanese, and Korean speaking staff
- Drop off your ballot
- Receive a replacement ballot
- Register to vote or update registration information through Election Day

Vote Centers will be located throughout San Mateo County.

- Three Vote Centers will be open 29 days before the election
- An additional six Vote Centers will be open 10 days before the election and an additional 36 Vote Centers will be open three days before the election for at least 8 hours daily.
- All Vote Centers will be open on Election Day from 7 a.m. to 8 p.m.

EC §4005

Election Day

Vote Centers are open from 7 a.m. to 8 p.m. on Election Day.

Election Day Observing

The Registration & Elections Division has procedures in place for election observers at the Vote Centers. It is important that activities at the Vote Centers are organized, operationally smooth and hassle-free for both the voters and the Vote Center Representatives.

- Observers are welcome to watch all proceedings at the polls, including Vote Center Representatives while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.
- Observers have the right to raise questions to the Vote Center Representatives, and may direct their questions about procedures to the Lead Vote Center Representative, or in the absence of the Lead, to other Vote Center Representatives who are in charge.
- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the Vote Center, beyond the “no-electioneering zone.”
- Observers may not directly challenge a voter. Election law provides that only the Elections Official, and/or Vote Center Representative holds the right to challenge a particular vote.
- Observers may not interfere in any way with the voting process.

Official Canvass and Election Certification

Final Official Canvass

The purpose of the Official Canvass is to thoroughly audit, account for and validate every ballot and vote cast in the election, so that the Elections Official may derive and certify the final vote counts. This process tests the accuracy and validity of partial vote counts derived in the Semi-Official Canvass and goes beyond those preliminary processes to validate and count additional Vote by Mail ballots, provisional ballots and write-in votes, and to account for unused and damaged paper ballots.
EC §15300-15360

During the Official Canvass, any interested person may choose to observe the Registration & Elections Division procedures. To observe this process, please feel free to contact 650.312.5222 or visit the office during normal business hours, Monday through Friday, from 8 a.m. to 5 p.m.
