**Rebuttal to Argument Against Measure E**

Please don't be fooled by the misleading and inaccurate information in the opposition argument. The authors reuse the same deceptive arguments and distorted data against most education ballot measures in San Mateo County. 13  
13  
5

31

Please consider the following facts: 5 5

**Millbrae schools are up to 80 years old and in desperate need of repair.** Our students should have every opportunity for success, but that can't happen if our children are learning in outdated and deteriorating classrooms. The district successfully passed bond measures many years ago which provided valuable improvements but, similar to a home, repairs and renovations become necessary over time. 17  
15  
11  
13  
5

61

While enrollment has declined in most local school districts, repairs are needed for students in our schools TODAY. Measure E will not pay for building an additional school – only repairs and renovations to existing our schools. 15  
15  
5

35

**Citizen oversight and annual independent audits will ensure transparency and accountability.** If a repair isn't on the project list, Measure E can't fund it. 11  
12

23

**Strong schools support our community.** For many of us, the schools are the reason we moved to Millbrae. Safe, strong schools protect Millbrae's students, community character and property values. 16  
12  
1

29

**Every penny of Measure E must be spent in Millbrae Elementary School District schools and cannot be taken away by the State.** This isn't an opinion or talking point: it's a legal requirement. The project list in the voter pamphlet specifies the use of all funds. 11  
17  
14

42

We're voting Yes on E because all current and future Millbrae students deserve safe, modern classrooms. Join us in supporting exemplary Millbrae schools. 13
