**Rebuttal to the Argument Against Measure H
Hillsborough City School District
250 Words**

The two opponents don't live in Hillsborough and don't understand the needs of our schools. They live in Morgan Hill and San Mateo and write similar arguments against nearly every local education ballot measure. When you **consider the FACTS, voting Yes on H is the obvious choice.**

- **FACT:** Most Hillsborough schools were built more than 60 years ago, haven't been upgraded for 20 years and currently receive among the lowest levels of school facility funding in San Mateo County. Voting Yes on H completes needed repairs like upgrading deteriorating roofs, plumbing, electrical, heating and cooling systems.

- **FACT:** Hillsborough schools need upgrades to stay safe, secure and accessible for students. Voting Yes on H improves earthquake and fire safety, campus security and makes classrooms accessible for students with disabilities.

- **FACT:** The basics of a quality education have changed. Voting Yes on H upgrades classrooms and science labs to meet 21st century standards for science, technology, engineering and math instruction.

12

- **FACT:** Measure H requires **MANDATORY FISCAL ACCOUNTABILITY**. An independent citizens' oversight committee of Hillsborough residents must review the use of funds and report their findings to the community. **Annual public audits** are required.

12 } 32

- **FACT:** By law, every penny from Measure H must stay in Hillsborough to upgrade local classrooms, labs and school facilities. No money can be taken away by the State or used for administrator salaries.

Hillsborough voters know that supporting **quality academic instruction** will keep our local schools among the best in the State and enhance home values.

Join Hillsborough leaders and vote Yes on H.
