	Fax:	Email:

Please complete the reverse side of this form.

Primary Argument Signers Form

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Each signer must designate in which capacity they are signing. Check the one box that applies.

Argument in Favor of Measure K
Bayshore Elementary School District

16

21
Everyone knows the importance and value of having quality schools. From higher achieving students, to greater neighborhood safety, quality schools make a difference. We need to do more to protect and maintain the quality of education provided to local children. The Bayshore Elementary School District relies on a local parcel tax for part of its funding. Funds raised by this local tax, first enacted in 2008, have been used to support instructional opportunities including math, science, reading/writing and by making technology improvements.

11 Our children need your YES vote on Measure K! If successful, Measure K will **RENEW** the existing parcel tax at the rate property owners are currently paying and provide a stable source of local funds to offset the uncertainty of state funding. With the kind of support provided by the funds from Measure **K** our students can become well rounded, contributing members of the community. Without it, their educational experience will be compromised.

10 If passed, Measure K will improve local Bayshore schools by:

- 8 • Maintaining competitive science, math, reading, and writing programs
- Attracting and retaining quality teachers
- Integrating modern technology for future student success
- Maintaining reduced class sizes

Measure K makes financial sense and protects taxpayers.

- This measure will renew the existing tax we already have.
- 17 • By law, all parcel tax funds must be spent locally and cannot be taken by the State.
- 17 • Measure K provides an exemption for any parcel owned and occupied by a person 65 years of age or older.
- Spending will be reviewed and annually audited by an independent citizens' oversight committee

11 Measure K maintains academic programs, helps improve the education of local students, and maintains the quality of our community. That's something we can all support. Please join us and vote Yes on Measure K!
