Primary Argument Signers Form

Author

Verified

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed. Names and titles listed will be printed in the order that they are listed below. Place a checkmark in the author column if the signer is the author of the argument. A signer can only list one title.

If the signers are part of a bona fide association, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual, the title under the signer's name must list the name of that bona fide association and may include their position within that association.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Print information clearly.

Check if the signer is the author of the argument. Authors must be signers.

(FOR OFFICIAL USE ONLY)
Staff check once the eligibility of the signer is verified.

Submit a second form (this side only) for alternate signers attached to this form and the argument.

Starts

Argument in Favor of Measure S

Vote YES on S to provide locally controlled funding for our local elementary and middle schools and ensure all students have access to safe, updated schools.

726

Thanks to strong community support, students continue to thrive in our local schools. However, **all our local elementary and middle schools are 50 to 100 years old** and need repairs and improvements to meet current standards and continue providing a quality education to students.

744

Many schools need safety updates, have deteriorating roofs, and require updated heating and cooling systems. Electrical systems in some schools predate computers and older classrooms simply weren't designed for a 21st-century education.

733

While much progress has been made in recent years, with Phase I improvements completed as promised, safety concerns and educational needs still need to be addressed. We can't rely on the State to help repair and update our schools. That is why Measure S is needed.

745

Measure S provides locally controlled funds to meet today's safety and security standards and ensure our students have the same educational opportunities as others in the region.

726

Safe Schools for Modern Learning

5

- Repair and upgrade science, technology, engineering, arts and math classrooms and labs
- Bring all schools up to the same learning and safety standards
- Provide dedicated classrooms for music, art and performing arts electives
- Replace aging and inefficient plumbing, heating and cooling, and electrical systems

712

711

710

711

Strict Fiscal Accountability is Required

5

- No funds can be taken away by the State
- Independent citizens' oversight and annual audits are required

9

78

- No Measure S funds can be used for administrators' salaries or pensions >11

We all know protecting the quality of our local schools helps keep our community, and property values, strong. >18

Join parents, teachers, seniors, elected and business leaders and vote YES on S! >13
