**Jefferson Union High School District
Argument in Favor of Measure J**

Your YES vote on Measure J will let us repair and improve Jefferson, Oceana, Terra Nova, Thornton, and Westmoor High Schools, construct new classrooms to reduce overcrowding, and provide students with up-to-date technology while still protecting taxpayers and helping to increase property values. Here's how. 9

While the high school campuses of Jefferson Union High School District have been well-maintained over the years, many high school classrooms are over 20 years old – and some over 50 years old. These classrooms and educational facilities require major upgrades and improvements to meet not only today's technological, safety and educational standards, but also to avoid more costly repairs in the future. 12

Your support on Measure J will improve school facilities by: 10

- Upgrading classrooms throughout the District with computers and mobile devices. 10
- Repairing and replacing leaky roofs and drains. 7
- Constructing new classrooms to reduce overcrowding. 6
- Replacing and upgrading heating, ventilation, air conditioning systems. 8
- Expanding and improving vocational education facilities for science, technology, engineering and math. 3

By law, Measure J guarantees taxpayer protections: 7

- No funds will be spent on administrator or teacher salaries, benefits or pensions. 13
- All expenditures will be reviewed by an independent Citizens' Oversight Committee. 10
- Annual financial audits by an independent accounting firm will be required. 11
- All funds must be spent on our local school facilities and **CANNOT BE TAKEN BY THE STATE OR SPENT ELSEWHERE.** 14

Measure J deserves our support. It will bring about meaningful, cost-effective improvements at our schools and classrooms, increase property values and provide students with up-to-date computers and technology. Please join us and VOTE YES on MEASURE J. 2
