Ballot Measure Rebuttal Argument Submission Form

If both an argument in favor of and an argument against a measure have been selected for publication in the Sample Ballot & Official Voter Information Pamphlet, a rebuttal to the argument in favor of or the argument against the measure may be submitted as outlined in this form.

The author(s) of the primary argument of the measure may prepare and submit a rebuttal argument or may authorize in writing any other person or persons to prepare, submit or sign the rebuttal argument.

A rebuttal argument will not be accepted unless accompanied by this completed form, which shall contain the printed name(s) and signature(s) of the person(s) submitting it or, if submitted on behalf of a bona fide association of citizens, the name of the association and the printed name and signature of at least one of its principal officers.

Rebuttal to the Argument Against Measure S
[250 Words Max]

We have the opportunity to see a brighter future for our students. **That is why our community has a history of supporting local schools** because we understand that even if you do not have school-age children, supporting quality education is a wise investment.

744

When you **consider the FACTS, voting Yes on S is the obvious choice for our community.**

16

- **FACT:** Good schools maintain our quality of life and **protect the value of our homes.** Academic research has shown that safe, updated local schools not only support student learning, but also create demand for homes and keep property values strong. 740
- **FACT:** By law, **every penny from Measure S must stay in our community** to upgrade local classrooms, labs and schools. No money can be taken away by the State. 728
- **FACT:** All the District's schools were built at least 50 years ago, and some are over 96 years old. While some schools have been upgraded, many have not. **Measure S will ensure all local schools meet current health and safety codes.** 740
- **FACT:** **Aging school facilities and electrical systems that predate computers** simply don't provide students with the learning environments needed to provide real world, hands-on science, technology, engineering, arts and math instruction. 732
- **FACT:** Measure S requires **mandatory fiscal accountability.** An independent **citizens' oversight committee** of local residents must review the use of funds and report their findings to the community. **Annual public disclosure of spending** is required. 735

Let's continue the progress we started. **Vote YES on S for safe, updated local schools.**
