Rebuttal to Argument Against Measure W

Don't be misled by the opponents. We are proud to live in a community that values education and believes in supporting local schools. 723

As local leaders who believe that **strong schools are essential for our community**, we make it a priority to know the facts. We're voting YES on W. 727

- Measure W is accountable. Independent citizens' oversight and mandatory audits ensure all funds stay local to make the critical health and safety upgrades our high schools need. 726
- There are few ways to repair and update our schools. In fact, passing Measure W is the ONLY way to help us qualify for state matching funds. 726
- Sequoia Union High School District has a proven track record of excellent fiscal management of past bond measures. In fact, the District was able to leverage \$110,774 million in state matching funds to do more work on schools over the past 25 years. 740 39
- Providing local students with equal access to updated classrooms and labs is Measure W's top priority. It is essential to update heating, cooling, and ventilation systems so that students are able to focus on their education. 736 35
- Measure W is an investment in our students' futures and our community. Measure W costs the typical homeowner less than \$15 per month to provide the safe and modern schools students need to be prepared for college and careers. 738

We are parents, business owners and education leaders, and we are taxpayers too. We are accountable; to our kids, to our community and to ensuring quality education for all local students. 731

Vote YES on W. 4
