## Argument in Favor of Measure A

**Vote Yes on A to renew locally controlled funding for high-quality education in Millbrae schools before it expires.** 3 15

Millbrae schools are among the best in the state and local students excel thanks to highly qualified teachers and quality academic programs in science, technology, engineering, arts, and math. 16 12 1

However, Millbrae continues to be among the districts with the lowest per student funding in San Mateo County. Without Measure A, Millbrae schools will lose over \$600,000 of current annual funding and will most likely be forced to lay off teachers and staff. Class sizes could increase. Millbrae students and families deserve better. 15 11 17 7

Measure A will maintain quality education in Millbrae schools and prevent cuts to teachers and academic programs, ensuring local students are prepared for high school, college, and future careers. 14 13 1

**Vote Yes on A — Prevent Deep Cuts to Keep Millbrae Schools Strong** 12

- Attract and retain qualified teachers 5
- Maintain modern, hands-on science labs, technology, engineering, and math instruction 11
- Strengthen reading and writing programs 5
- Fund classroom computers and instructional technology 6
- Maintain and enhance art and music programs 7

**Strict Fiscal Accountability Is Required** 5

- All funds must stay local and cannot be taken away by the State 13
- An independent citizens' oversight committee and audits would continue to be required to ensure funds are spent as promised 12 7
- By law, no funds can be used for administrator salaries 10
- Senior citizens are eligible for an exemption — current exemptions need not reapply 12

Whether or not you have school-age children, supporting quality education is a wise investment that protects our quality of life and property values. 9 1 4

**Join local elected leaders, business owners, longtime residents, parents, and teachers by voting Yes on A to maintain quality Millbrae schools — renew critical local funding for our schools before it expires!** 4 12 15
