Rebuttal to the Argument Against Measure G  
Pacifica School District  
[Word Count: 245 words]

**Local residents support Measure G** 4

The authors of the argument against Measure G routinely oppose school ballot measures and aren't part of our community. 4

**We live, work, and send our children to school in Pacifica, so we know the facts.** 16

Measure G is locally controlled and exclusively for elementary and middle schools in Pacifica School District. 13

**Vote YES on G to keep our schools safe** 9

The state does not take into consideration weathering buildings, advancements in technology, or accessibility requirements when distributing funds. Schools usually rely on local measures to make improvements that ensure student safety. Here are some high priority plans for Measure G: 13

- Update heating and electrical systems 5
- Repair/replace storm drains, gas lines, sewers 7
- Update/expand/provide dedicated classroom for special education programs 9
- Provide relevant technology for curriculum 5

**Pacifica School District is among the lowest funded districts in San Mateo County** 9

We live in one of the most expensive places in the world. We need Measure G to support the construction of affordable rental workforce housing to attract and retain highly qualified teachers and staff. 18 14

**What protects you, the taxpayer?** 5

- Effective management of funds keeps PSD transparent and accountable 9
- Measure G can only be used for voter-approved purposes. NOT salaries or pensions 12
- Independent citizens' oversight committee reports annually 6
- By law, these funds cannot be taken by the state 10

**Our schools are a source of pride in our community and protect the value of our homes — join us in voting YES on G!** 4 20
