Argument in Favor of Measure __
Bayshore Elementary School District

The Bayshore Elementary School District, and in turn, The Bayshore School, is one of the most important assets in our community and should be our number one priority. Quality schools improve student achievement, improve property values, prepare children for a productive future, and create greater neighborhood safety. Our teachers and staff do a great job educating local children, but The Bayshore School needs to be maintained and upgraded in order to provide students with the school facilities they need to succeed. **THIS WILL BENEFIT THE WHOLE COMMUNITY.**

While our school has been well maintained since being built in 2017, aging classrooms and facilities are showing the wear and tear of constant use and are very expensive to repair. A local school improvement measure would allow the District to improve the quality of the school's facilities and the educational programs provided to local students. By investing in our school, we can meet today's safety, technological, and educational standards as well as better our community.

If passed, Measure __ will provide funding to make critical facility improvements at The Bayshore School by:

- Making health, safety, and handicapped accessibility improvements
- Improving student access to computers and modern technology
- Constructing a new middle school to prevent future overcrowding
- Making energy-efficiency improvements, including installing solar panels
- Constructing/modernizing school facilities, including a new wellness center

Measure __ makes financial sense and protects taxpayers.

- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- All bond funds must be spent locally and **cannot be taken by the State.**
- Funds are required to be spent only on schools, not for administrator or teacher salaries.

Measure __ upgrades and renovates classrooms, restrooms, and other school facilities, improves the education of local children, and maintains the quality of our community. That's something we can all support. Please join us and VOTE YES ON MEASURE __!
