Argument in Favor of Measure _

Vote Yes on _ — protect what sets Burlingame elementary and middle schools apart: high-quality teachers and outstanding academics. 13

Having a great teacher in the classroom is the most important element of providing a quality education. That's why we need Measure _ - it will help Burlingame recruit and retain the best teachers to our classrooms. 16

4

Funding for our local schools has not increased in more than 12 years, despite inflation. In fact, our schools receive among the lowest amount of state funding per-student in San Mateo County. Measure _ will help our schools keep up with the rising cost of providing a quality education and preventing teacher layoffs. 17

5

If we don't pass Measure _, we will lose some of our best teachers to other nearby school districts that offer higher compensation. 17
5

What's more: Measure _ means large corporations will pay more than single-family homeowners, ensuring large property owners contribute their fair share to support our local schools. 11

Above all, every penny from Measure _ will benefit Burlingame elementary and middle schools, be controlled locally, and cannot be taken away by the State. 13

Strict Accountability Keeps Measure _ Local 5

- All funds would be controlled locally and could not be taken away by the State 15
