County of San Mateo Department of Public Works

Between 1513 Veterans Boulevard and 1712 East Bayshore
Road, Redwood City, San Mateo County

Project Applicant/ Lead Agency

Project Location

The County of San Mateo Department of Public Works proposes to replace antiquated, 33-inch-diameter reinforced concrete pipe segments with industry-standard, 36-inch-diameter polyvinyl chloride pipe segments associated with the North Fair Oaks Trunk Sewer. The Project would affect 1,404 linear feet of the existing pipe segments. Two sections of three cannot be replaced in-place. These two would be realigned mainly via trenchless construction (pipe jacking and microtunneling); the existing pipe segments would be abandoned. The third section would be replaced in-place, via open trench construction; construction of this section would require use of a temporary sewage bypass system. The Project would also include the housekeeping of existing manholes to either abandon them if no longer required or bring them to code if they are substandard. Approximately 1,411 linear feet of new pipe segments would be installed over a six-month period, beginning in April 2025.

Project Description

This is to advise that the County of San Mateo, as Lead Agency, approved the above-described Project on October 22, 2024, and has made the following determinations regarding the Project.

1. The Project will not have a significant effect on the environment.
2. A Mitigated Negative Declaration was prepared for this Project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the Project.
4. A Mitigation Monitoring and Reporting Program was adopted for this Project.
5. A Statement of Overriding Considerations was not adopted for this Project.
6. Findings were not made pursuant to the provisions of CEQA.

This is to certify that the Mitigated Negative Declaration with comments and responses and the record of Project approval is available to the general public at the San Mateo County Department of Public Works Office located at 555 County Center, 5th Floor, City of Redwood City, California, 94063.
