## REBUTTAL TO ARGUMENT AGAINST MEASURE W

Do not allow out-of-town special interests to dictate what is in the best interests of South San Francisco residents!

Measure W was developed after months of consultation with thousands of people who live in our City to determine community priorities. Vote **YES on W** to:

- Address \$18 Million in street maintenance and pothole repair needs that are beyond the repairs currently funded by the City. **YES on W** prevents the streets we walk on and drive over daily, from falling into further disrepair or additional expense.
- Maintain vital police and fire services, including gang suppression, neighborhood patrols and rapid emergency services. **YES on W** upgrades our aging Police Operations Center with a seismically-safe one.
- Provide programs for seniors, disabled residents, and all families.
- Expand safe Recreation/Library spaces to keep kids healthy and off the streets.
- Ensure that out-of-town visitors to our City pay their fair share for their use of our streets, roads and other services.

Here is what Measure W will NOT do:

- Measure W is not a tax on your home or property
- Measure W does not apply to food purchased as groceries, or prescription medication

If opponents had simply checked the facts, they will have found that South San Francisco practices strict fiscal prudence and accountability.

When we maintain our quality of life and safety, all members of the community—residents and business owners alike—benefit. Join us in voting **YES on W**.
