Project Title: Water Tank 1 (Cunningham Tank) Replacement Project IS/MND

Project Applicant: City of San Bruno (Lead Agency)

Project Location (include county): APN 019-300-140, off Cunningham Way in San Bruno, CA

Project Description: The project proposes replacing an existing 2.5-million-gallon, seismically deficient water tank that no longer meets the latest codes and standards for water tank structures. The tank would be replaced with a new 3.5 MG prestressed concrete water tank (112 feet in diameter with a 60-foot, 6-inch tall wall height and domed roof). Approximately 42 feet-6 inches of the tank wall will be visible above the ground. To accommodate the additional capacity, the new tank will be buried approximately 18 feet below grade surface to minimize the overall height of the structure. The new tank will occupy the same footprint as the existing tank. The project also involves revising arrangement and depth of the waterlines, site drainage, and other components linked to the larger capacity and partially buried tank, widening of the existing access road and construction of a retaining wall, a new chemical building with retaining wall, and replacement of an existing drainage pipe.

This is to advise that the City of San Bruno has approved the above  
(☒ Lead Agency or ☐ Responsible Agency)

described project on May 27, 2025 and has made the following determinations regarding the above  
(date)  
described project.

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☒ were ☐ were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [☒ was ☐ was not] adopted for this project.
5. A statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
6. Findings [☒ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

576 El Camino Real, San Bruno, CA 94066
