Argument in Favor of Measure T

MARY CHURCH, Chief Elections Officer

By [REDACTED]

DEPUTY CLERK

Vote Yes on Measure T to retain the highly qualified teachers and protect the core academic programs that help local elementary and middle school students succeed. 11 14

Our local elementary and middle schools in Jefferson Elementary School District are the third lowest funded in San Mateo County. Measure T provides a dedicated source of local education funding so that all local students receive access to a top-quality education, just like children in neighboring communities. 10 11 14 7

Measure T protects the quality of academic instruction in core subjects like math, science, technology, reading and writing — the keys to student success. It will help struggling students by maintaining and expanding literacy and after-school programs, providing all students the chance to excel. 12 13 11 7

Measure T is controlled locally to support strong education in the classroom. All funds go directly to our local schools. The state can't take away a single penny. 13 14
