Argument in Favor of Measure N

Vote Yes on N to strengthen local Pacifica library services that serve our entire community, including children, teens, families and seniors.

Students count on the library as a safe place to finish homework and stay out of trouble after school. For those without Internet access at home, libraries are crucial for 21st-century education and to stay connected, engaged and informed.

For nearly 15% of San Mateo County residents below basic levels of literacy, libraries are invaluable to learn to read and write, apply for jobs and contribute to our workforce.

Yet Pacifica's two outdated and understaffed libraries cannot meet our community's demand. Our libraries—built over 35 years ago—have leaky roofs, moldy walls, outdated computer technology and inadequate seismic and fire safety systems. Additionally, our libraries are only open part of the week and closed on Sundays.

Measure N supports one central library, open seven days a week—including weekends and after school—strengthening this community resource.

Vote Yes On N: Our Library, Our Pacifica

- Provide quiet study spaces and a Homework Center for Pacifica students
- Keep the library open seven days per week and after school
- Expand computer labs for students and others without Internet access at home
- Provide safe spaces for children and teens after school
- Ensure access for people with disabilities
- Continue one-on-one literacy instruction for those who need it most

A Responsible Plan for Pacifica

- Strict accountability provisions, including mandatory citizen oversight, annual audits and public review ensures every penny is spent as promised
- The Coastal Commission and third-party experts thoroughly vetted Measure N to ensure our library is safe from flooding and sea-level rise
- Smart partnerships with San Mateo County will save Pacifica taxpayers millions

Join us: Vote Yes on N. Let's provide Pacifica the safe, modern library we need and deserve.
