### **Rebuttal to Argument Against Measure N**

The authors of the argument against Measure N don't have their facts straight and are attempting to deny current and future generations of children, teens, seniors and others the library we need.

Measure N is a thoroughly vetted plan to provide a modern library with free learning opportunities to Pacifica residents of all ages seven days per week.

The Measure N plan ensures our library is safe from sea-level rise, now and 50 years from now. An independent, third-party coastal hazard study and the California Coastal Commission support the library's location. Learn more here:

<http://pacificalibraryfoundation.com/CCC-Letter-supporting-Pacifica-Library.pdf>

#### **Measure N gives children and teens a safe place to go after school.**

It funds a Homework Center, rooms for children's story time and expanded computer labs for those without access at home.

#### **Current Pacifica libraries are closed part of the week.**

Librarians must split their time between the two libraries, reducing access for all.

Measure N supports one central library, open seven days a week, including weekends and after school.

#### **Our libraries are 35 years old and in disrepair.**

The libraries have leaky roofs, moldy walls, outdated wiring and antiquated computers. Extensive renovations are significantly more costly than the Measure N plan. Read the independent facility assessment here:

<http://pacificalibraryfoundation.com/Library-Facility-Structural-Assessment-FINAL.pdf>

#### **Measure N is a responsible plan.**

Annual independent financial audits, a citizen's oversight committee and public review of expenditures ensure that every penny is spent as promised.

Vote Yes on N: the right choice for our community, our library and our Pacifica.
