## Rebuttal to Argument in Favor of Measure C

Measure C is a hidden tax on homeowners. Vote No.

Pacifica is already in poor financial shape. Measure C will further burden our City's finances with huge new legal fees. Backers of Measure C even admit that Pacifica taxpayers will foot the bill.

A huge new government bureaucracy is established under Measure C. This unelected body is not accountable to taxpayers and has an unlimited budget and a direct pipeline into the City's General Fund.

Measure C will degrade our neighborhoods:

- It will allow up to 16 people to live in a 900 square foot – 2 bedroom apartment, along with all of their cars parked in our neighborhoods.
- It will make it nearly impossible to evict problem tenants from our neighborhoods. Those who engage in dangerous activities, harass or disrupt their neighbors, deal drugs and brandish weapons are virtually given lifetime leases.
- Measure C will impact single-family homes in Pacifica. Backers of Measure C are working behind the scenes to include single-family homes. Measure C can be changed at any time by the city council to include single-family homes, without voter approval.

Economic experts contend that Measure C could cost Pacifica closer to \$2,000,000. Yet, Measure C ONLY raises \$500,000 a year. Where's the other \$1,500,000 coming from? City services: street repair, police, fire, parks, and beach clean-up are all in danger of being cut. And, when the City of Pacifica can't cut enough of our city services, Pacifica taxpayers will be saddled with the bill.
